NA · 나

GA · 가

GAM · 감 · WATER

Gam is water: it keeps flowing and finds its way past every obstacle. The form adds the roundhouse kick, high outer block, twisted knife-hand block, low spread block and palm block, and finishes by stepping backwards.

READING THE FOOTPRINTS

- **Ap seogi** · walking stance. One natural step, feet almost in line.
- **Ap kubi** · front stance. About 1½ steps long, one fist wide, front knee bent.
- **Dwit kubi** · back stance. Heels in line, rear foot turned out, weight on the bent rear leg.
- **Ap chagi** · front kick from the rear leg.

Red foot leads; the blue tick is the direction you face. Front-stance chips are filled. Back-stance chips have a double outline.

PRACTICE NOTES

HOW THE DIAGRAM READS

You start at **na** facing **ga** (the bottom of the page). Figures on the left and right are seen from the side; centre figures face you going toward ga and show their back returning toward na.
