NA · 나

GEON · 건 · HEAVEN

The first Taegeuk represents heaven and light, the source of all creation. It is built from the two most basic stances and simple, honest techniques, the foundation every later form grows from.

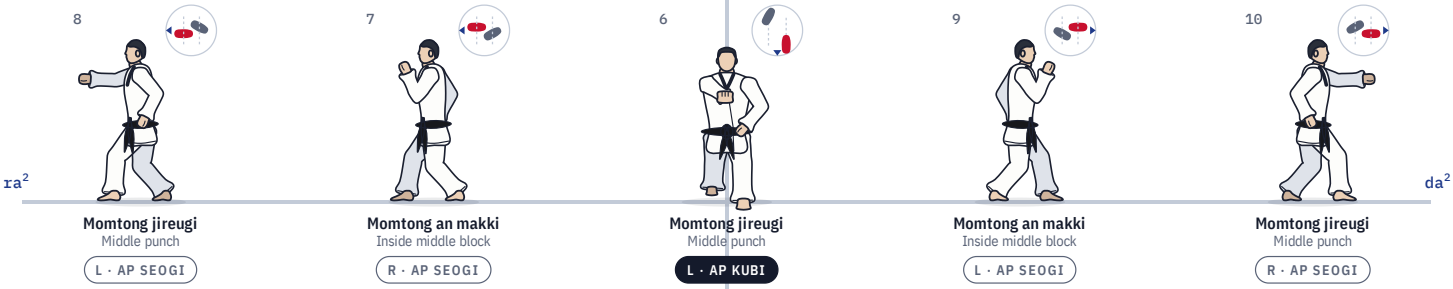

READING THE FOOTPRINTS

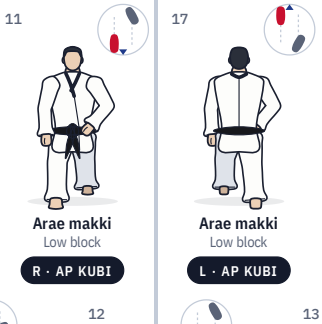

Ap seogi · walking stance. One natural step, feet almost in line.

Ap kubi · front stance. About 1½ steps long, one fist wide, front knee bent.

Ap chagi · front kick from the rear leg.

Red foot leads; the blue tick is the direction you face. Front-stance chips are filled.

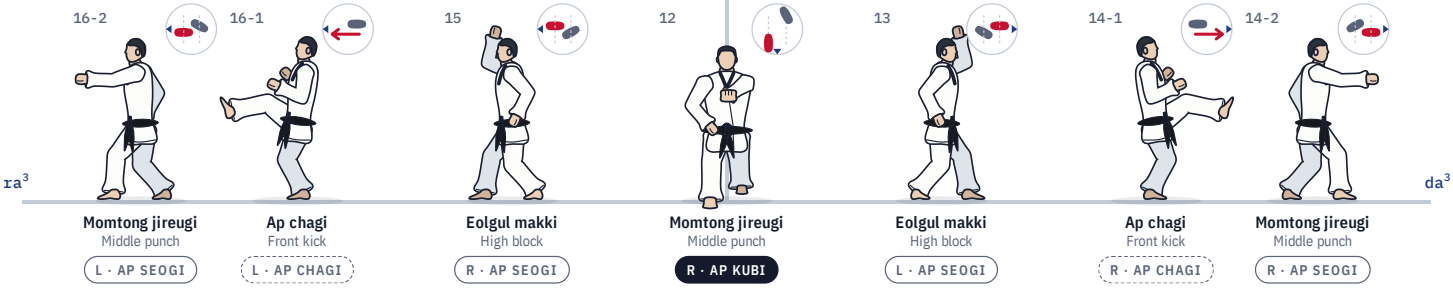

PRACTICE NOTES

HOW THE DIAGRAM READS

You start at **na** facing **ga** (the bottom of the page). Figures on the left and right are seen from the side; centre figures face you going toward ga and show their back returning toward na. Horse- and crane-stance figures face the way the body faces.
