I · EUI-AM · THE INDEPENDENCE LEADER

Eui-Am is the pen name of Son Byong-hi, leader of the Korean independence movement of 1 March 1919. The 45 movements stand for his age in 1905, when he renamed Dong Hak (Eastern learning) as Chondo Kyo (the Heavenly Way religion). The diagram, a single line, stands for his indomitable spirit in the service of his country. The pattern stays on the C–D line, starting in close ready stance D at its centre facing D: knife-hand inward and outer forearm blocks, a twisting kick, an X-fist block and a jump into X-stance; a reverse turning kick, a side kick and crescent and turning punches; the same toward C; then knife-hand wedging blocks, reverse knife-hand circular blocks and alternate palm blocks; two high reverse turning kicks; and low knife-hand blocks with punches to finish.

READING THE FOOTPRINTS

Gunnun sogi · walking stance. About 1½ shoulder widths long and one wide, front knee bent over the heel, rear leg straight. Named by the front foot.

Niunja sogi · L-stance. Feet at right angles, about 1½ shoulder widths apart, most of the weight on the bent rear leg. Named by the rear foot: this one, left foot forward, is a right L-stance.

Dwitbal sogi · rear foot stance. Short, front foot on its ball, almost all the weight on the bent rear leg. Named by the rear foot: this one is a right rear foot stance.

Annun sogi · sitting stance. Feet parallel, about 1½ shoulder widths apart, knees bent and pushed out, weight even.

Kyocha sogi · X-stance. One foot crossed behind the other, resting on its ball; usually after a jump.

Red foot leads; the blue tick is the direction you face. Walking-stance chips are filled; L-stance chips have a double outline. Directions are the ITF letters: you start facing D, with B on your left and A on your right.

PRACTICE NOTES

HOW THE DIAGRAM READS

You start at the centre facing **D**, the bottom of the page, so **B** (your left) is on the right of the page and **A** on the left. The ITF books draw the same diagram from behind you, with D at the top. Figures on the left and right are seen from the side; centre figures face you going toward D and show their back going toward C.
